Head of Operations

Sabihah is currently heading the MYXpats Centre's operation focusing on achieving operational service excellence and the delivery of expatriate services to ensure quality services are delivered to all stakeholders.

Her 20 years of experience include interfacing with Government agencies and industries across all key sectors in the country for the facilitation of Employment Pass and all its related passes through the Expatriate Services Division (ESD) and the Residence Pass-Talent (RP-T) program collaborating with Immigration Department of Malaysia, overseen by Ministry of Home Affairs (MOHA). She was also part of the pre-opening team of MYXpats Centre in 2015.

Graduated from University Technology of Mara (UiTM), Sabihah was formerly the Head of Unit, Client Management & Appraisals (C-MAT) in Multimedia Digital Economy Corporation (MDEC) for over 15 years. She is also a Certified Motorola Six Sigma Green Belt and a Certified Career Coach.

Manager, Outreach and Communication

Keat Meng has been at the forefront of the TalentCorp Malaysia since 2012. His work includes engaging with industries across all sectors. He joined the Foreign Talent Facilitation unit in 2014 engaging various stakeholders towards facilitating expatriate matters. This include the facilitation of Employment Pass and all other related passes through the Expatriate Services Division (ESD) and Residence Pass-Talent (RP-T) program which is part and parcel of Malaysia's economic growth.

He is also responsible on the setting up of MYXpatS Centre, a collaboration between Talent Corporation (Malaysia) Berhad with Immigration Department of Malaysia and overseen by Ministry of Home Affairs.

Keat Meng is a Bachelor Degree Holder in International Hospitality Management from University of Toulouse, France and has over 22 years of experience in Hospitality, Marketing, Education and its related fields.

JOHN ANDREW DAVISON, CEO

Andy Davison is a long term expat having left the UK in 1970. After 25 years travelling the world with American Express, he resigned and started his own small businesses in Malaysia under the name TEG Media. They are involved in print and digital publishing as well as organising various events. Their primary audience is resident expats and people overseas interested in Malaysia, although they also reach many likeminded Malaysians. He has been a passionate supporter of the Malaysia My Second Home programme and they have their own government approved agency.
